Re: MUR 2314 (National Republican
Senatorial Committee, et al)

Dear Mr. Rishel:

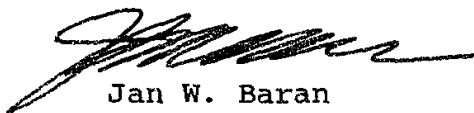

On behalf of the National Republican Senatorial Committee ("NRSC") and pursuant to our meeting of August 20, 1987, this letter respectfully requests an extension of time, until September 17, 1987, to respond to the interrogatories and document production requests contained in the Commission's August 4, 1987 letter concerning the above-referenced matter.

The Commission has requested NRSC to produce numerous documents in connection with this matter. While NRSC wishes to comply with the Commission's request, it is unable to do so within the 15 day period specified by the Commission. Further, NRSC personnel most familiar with the programs covered by the Commission's request are out of the city on vacation and not expected to return until early September.

In view of the above, I respectfully request an extension up to and including September 17, 1987.

Your favorable consideration of this request will be appreciated.

Sincerely,

Jan W. Baran
